Before you sleep, mentally recite the time you want to wake up. This may sound bogus, but it works for me. Initially I thought it was just me, until someone told me recently that he was able to wake up early using this method (which he learned from his friend, who was able to wake up early using the same method too).

The Wake Up is a compelling fiction novel written by Catherine Ryan Hyde. This is my first time to read a book by Hyde so I didn't set any expectations before reading this. The plot and Hyde's storytelling ability are both unexpectedly exceptional, hence I was able to finish this book within 2 days.
