INDIRECT DISCRIMINATION IN THE CASE-LAW OF THE EUROPEAN

Possibly, by "indirect evolution" you're thinking of inclusive fitness and kin selection. The idea is that if a gene causes an individual to help relatives, then that can indirectly increase the representation of the individual's own genes in the next generation.

What is the difference between direct & indirect

Abstract. This article looks at the DCFR rules relating to the distinction between direct and indirect representation and their effects. The article shows the changes introduced by DCFR in comparison with PECL and judges the solution achieved by DCFR in the difficult commitment between continental representation and the agency of Common Law.
