Labour Economics is devoted to publishing international research on empirical, theoretical and econometric

topics that are of particular interest to labour economists. In particular, Labour Economics gives due recognition to solid empirical work with a strong economic interpretation.

**Labour Economics - Official Site**

The Journal provides a forum for both empirical and theoretical research on the U.S. and international labor markets, and labor/employment issues. The journal welcomes submissions from scholars in all relevant fields on topics that involve analyses of the workplace.
