Shifting Shadows (2000) About book: This was an alright read if you like the kind of thing. It is told in first person, which I generally dislike. To complicate things it is told in first person from the perspective of two people. I found this really distracting and annoying.

Shifting Shadows. I'm mostly a novelist. However, every once in a while I think of a story idea that can be told on a smaller screen. I've written several short stories set in the "Mercyverse" (blame the marketing department, it still makes me giggle to write that), and published them in various anthologies.
